Overview of Better Impact

Better Impact is a volunteer management system that Solano CART is using to manage all its volunteers. (This is the same system being used by other CARTs like NVADG, Napa CART, and Sonoma CART.)

Once you set up your Better Impact profile with Solano CART, you'll be able to do the following:

- View, edit, and upload all your personal information, including certificates for any trainings you have completed.
- View your "qualifications" with Solano CART. A qualification is granted when you complete a training or other requirement, or when you qualify as a member of a team within the CART. You'll be able to see all the criteria for getting each qualification.
- Sign up for Solano CART trainings.
- Sign up for volunteer shifts during a deployment.
- Complete self-study trainings whenever it's convenient for you, typically a video with a quiz to ensure that you've understood the material.

You will be able to access Better Impact from either a web browser or from a mobile app on your phone.

Creating a New Better Impact Profile with Solano CART

If you do not yet have a Solano CART Better Impact profile, follow these instructions to set up your new profile.

Note: If you were an existing member of Solano CART as January 2022, you should skip this section – a profile has already been created and partially filled in for you. You will receive an email from Solano CART with your login credentials. Skip down to the “Logging into Better Impact” section below.

Use this link to create your Solano CART Better Impact profile on your computer:

Note: The screenshots below are from a computer, but you’ll see the exact same options if you are doing this on your phone.

Here’s the first screen you will see:

Application Complete

Thank you for your interest in volunteering with Solano CART! You can now access your Solano CART Better Impact profile at myimpactpage.com.

- Go to the MY PROFILE menu and click "Additional Info" to finish setting up your profile - you can upload certificates for trainings you have already completed.
- Go to the MY PROFILE menu and click "Files" for information on how to use Solano CART's Better Impact.
- Go to the OPPORTUNITIES menu to sign up for Solano CART trainings or for volunteer shifts during an incident.

Be sure to check your email for some additional information from us.

Solano CART Volunteer Coordinator

You will also receive a welcome email at the email address you provided:

Solano CART - Welcome Message External Blocked 🗑️ 📧

Welcome to Solano CART!

Thank you for setting up your profile in Better Impact. You will use your profile to tell Solano CART about yourself, your training, and your experience - be sure to keep it up-to-date. You will also use Better Impact to sign up for trainings and for volunteer shifts during incidents.

You now have 30 days to finish entering all your information. Log in to Better Impact at myimpactpage.com using the username and password you just created. Then go to the MY PROFILE menu in the upper right of the window and click on "Additional Info" in the dropdown. Fill in all the fields, and upload your certificates and other documentation where requested. Be sure to hit the "Save" button frequently so you don't lose any of your edits. (If you need help with using Better Impact, go to the MY PROFILE menu and click on "Files" - you'll see a document called "How to use Solano CART's Better Impact".)

Thank you for volunteering to help animals!

Merging Better Impact Profiles from Different Agencies

Solano CART has already set up profiles in Better Impact for volunteers who were active as of January 2022. You will receive an email from Solano CART with those login credentials. If you are new to Solano CART, then you need to create a new profile – see instructions in the section above.

If your Solano CART profile is your first and only profile with Better Impact, then proceed to the section below for instructions on how to login. However, if you already have a profile in Better Impact (for example, with NVADG, Napa CART, or Sonoma CART), then you need to merge your new Solano CART profile into your existing profile. Once you do the merge, you'll be able to access both profiles with a single username and password.

How to merge profiles:

1. Login to Better Impact at myimpactpage.com using the username and password that you want to keep going forward. This will usually be the first username that you set up, for example with NVADG.
2. Click on the MY PROFILE menu and select the Merge Profile command.

3. Follow the instructions to complete the merge – you will be asked for the username and password for the profile that you are merging into the profile you are logged into.

Merge Profile

[Log Out](#) [? Help](#)

Merge Profile - Step One

This page is designed to enable you to merge a new profile that has been created for you into the profile that you are logged into right now. You would only need to do this if you have been using MyImpactPage.com already and then another organization you are associated with recently started using MyImpactPage.com.

There are a couple of steps to this process and we will confirm with you before the merge is done.

IMPORTANT: Once you have completed the merge, it cannot be undone.

Step 1: Enter the Username and Password of the new profile you would like to merge into your existing one. This information would have been sent to you recently by the organization that has just begun using MyImpactPage.com. Once you click the "Get Profile" button, it will show you the profile details side by side for you to review.

Password

4. Now that your new Solano CART profile is merged into your existing profile, you can access both profiles once you are logged in. You will sometimes be presented with a screen like this when Better Impact needs to know which CART's information you want to display:

News

Welcome to Solano CART! Training season is here, and we have an exciting lineup of training and exercises to get us ready for the 2022 season. Make sure you check the Opportunity Calendar to keep up on planned events. You'll definitely want to save **May 14** for our all-hands drill with Solano County Animal Control. You'll get a chance to work with the County Animal Control Officers in a simulated emergency, and this year we will be training in the Green Valley, Rockville, and Twin Sisters area. Hope to see you all in person soon!

Mission Statement

Our Mission is to:

- Assist the general public with evacuation and sheltering-in-place of animals during a disaster
- Work together with public agencies and private organizations to accomplish this mission
- Educate and assist animal owners with disaster preparedness
- Provide training and exercises for Solano CART members

VIRTUAL MEETING

ANNUAL VOLUNTEER TRAINING

Saturday, February 5, 2022
9:00 AM to 3:30 PM

9:00 AM to 12:00 PM 12:30 to 3:30 PM

See the sections below for instructions on how to use Better Impact now that you have a profile.

Updating Your Contact Information

Go to the MY PROFILE menu in the upper right of the home page and click the “Contact Information” menu item.

The screenshot shows the home page of the Solano CART website. At the top, there is a dark green navigation bar with the following menu items: HOME, OPPORTUNITIES, SCHEDULE, HOURS, CONTACT, and MY PROFILE. The 'MY PROFILE' menu is currently open, displaying a list of options: Contact Information (highlighted with a yellow circle), Additional Info, Qualifications, Training, Badges, Change Password, Organizations, Goals, Interests, Availability, Timeclock QR Code, Files, and Merge Profile. Below the navigation bar, the page content includes a 'Home' section with a welcome message for 'Val Volunteer' and an 'Edit My Profile' link. A 'Solano CART' section is also visible. On the left, there is a 'News' section with a post titled 'Welcome to Solano CART!' and a 'Get Social' section with social media sharing options. On the right, there is a 'Solano Community' social media post with 951 likes and a 'Like Page' button.

The Contact Information screen looks like this (you will need to scroll down to see more fields). You can make any changes, then click the “Save” button to save them. Check carefully to make sure that your name, cell number, and email address are correct.

Important Please upload a passport-style photo using the “Update Photo” button (plain background, full view of your face, no hat or sunglasses). This picture will help the Solano CART team leads get to know you.

Note for volunteers who have profiles with multiple CARTs:

The personal contact information on the Contact Information page is shared between all of your profiles. In other words, if you have profiles with both Solano CART and NVADG, changing your email address will affect both profiles. Your Additional Info and Qualifications pages, however, are separate for each CART. So, this means (for example) that you must upload your IS-100 certificate separately for Solano CART and NVADG.

Updating Your Additional Information

Go to the MY PROFILE menu in the upper right of the home page and click the “Additional Info” menu item.

The screenshot shows the home page of the Solano CART website. At the top, there is a navigation bar with the following items: HOME, OPPORTUNITIES, SCHEDULE, HOURS, CONTACT, and MY PROFILE. The MY PROFILE dropdown menu is open, showing a list of options: Contact Information, Additional Info (highlighted with a yellow circle), Qualifications, Training, Badges, Change Password, Organizations, Goals, Interests, Availability, Timeclock QR Code, Files, and Merge Profile. Below the navigation bar, the page content includes a 'Home' section with a welcome message for 'Val Volunteer' and an 'Edit My Profile' link. There is also a 'Solano CART' section and a 'News' section with a post titled 'Welcome to Solano CART!' and a 'Get Social' section with social media sharing options and a 'Solano Community' Facebook page preview.

The Additional Info screen looks like this.

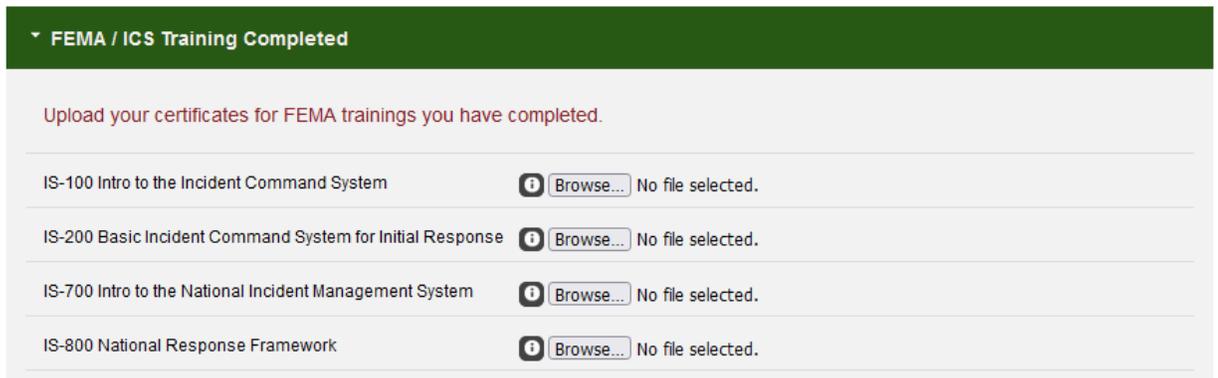

Important Please go through the entire Additional Info page within 30 days of setting up your profile to fill out all the fields.

The screenshot shows a web interface for 'Additional Info'. At the top is a dark green navigation bar with links for HOME, OPPORTUNITIES, SCHEDULE, HOURS, CONTACT, and MY PROFILE. Below the navigation bar, the page title 'Additional Info' is displayed on the left, and 'Log Out' and 'Help' links are on the right. A 'Save' button is located in the top right corner of the main content area. The main content area is divided into two sections: 'Volunteer Contract' and 'About You'. The 'Volunteer Contract' section contains three rows of text, each with a checkbox, an information icon ('i'), and a required field icon (a small black flag). The text for each row is: 'By clicking on the checkbox, you agree to Solano CART's Code of Conduct. (Click on the "i" icon to read the code of conduct.)', 'By clicking on the checkbox, you agree to Solano CART's Volunteer Agreement and Release of Liability. (Click on the "i" icon to read the agreement.)', and 'By clicking on the checkbox, you agree to Solano CART's Photo/Video Release. (Click on the "i" icon to read the release.)'. The 'About You' section is currently collapsed.

Click on the “i” icons for additional information or instructions for a field. Also, note that all fields marked with the small black flag icon are required fields – you will not be able to Save until you fill out all the required fields.

After you make any changes, click the “Save” button. It’s a good idea to click the “Save” button often so you don’t lose any changes.

Some fields will ask you to upload a file (like a training certificate). Here's how to do that:

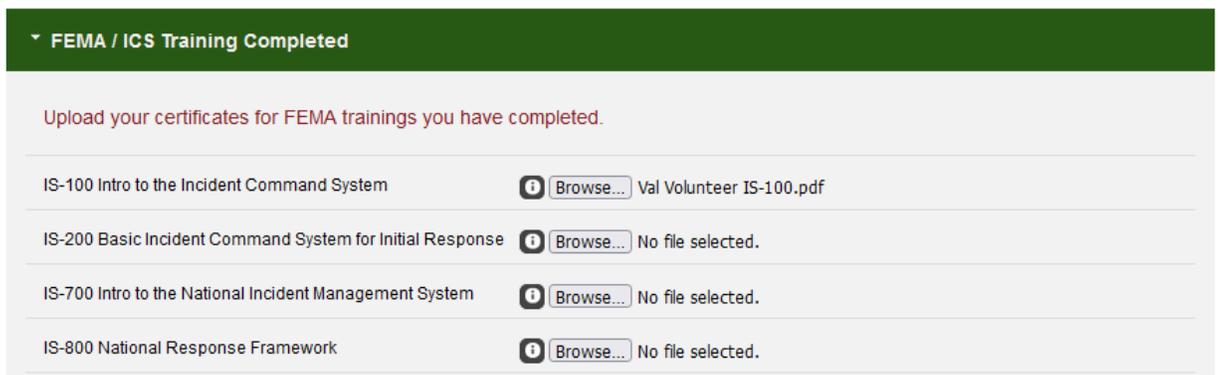

▼ FEMA / ICS Training Completed

Upload your certificates for FEMA trainings you have completed.

| IS-700 Intro to the National Incident Management System | <input type="button" value="Browse..."/> | No file selected. |
| IS-800 National Response Framework | <input type="button" value="Browse..."/> | No file selected. |

Click on the “Browse...” button to select your certificate file. It can be a pdf, jpg, or doc file.

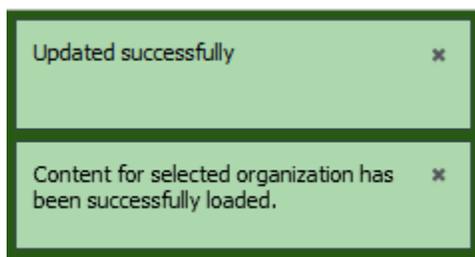

▼ FEMA / ICS Training Completed

| IS-700 Intro to the National Incident Management System | <input type="button" value="Browse..."/> | No file selected. |
| IS-800 National Response Framework | <input type="button" value="Browse..."/> | No file selected. |

You will see your file name next to the “Browse...” button. Click the “Save” button at the top or bottom of the page to upload the file. It may take a few seconds for the file upload to complete. You should see a message like this at the top of your screen to indicate that the upload was successful:

The page will now look like this:

| IS-800 National Response Framework | <input type="button" value="Browse..."/> No file selected. |

Note the “Remove File” checkbox. If you uploaded the wrong file by mistake, just check that box and click “Save” again.

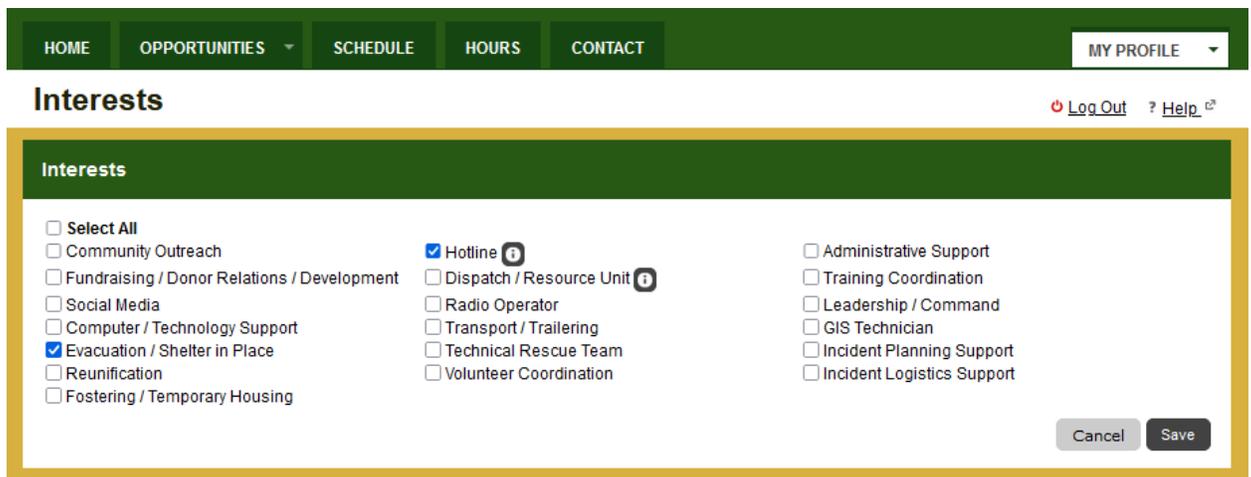

Caution Better Impact has a file size limit on uploads. For this reason, it’s a good idea to click “Save” for each file rather than trying to upload many files at once.

Updating Your Interests

Go to the MY PROFILE menu in the upper right of the home page and click the “Interests” menu item.

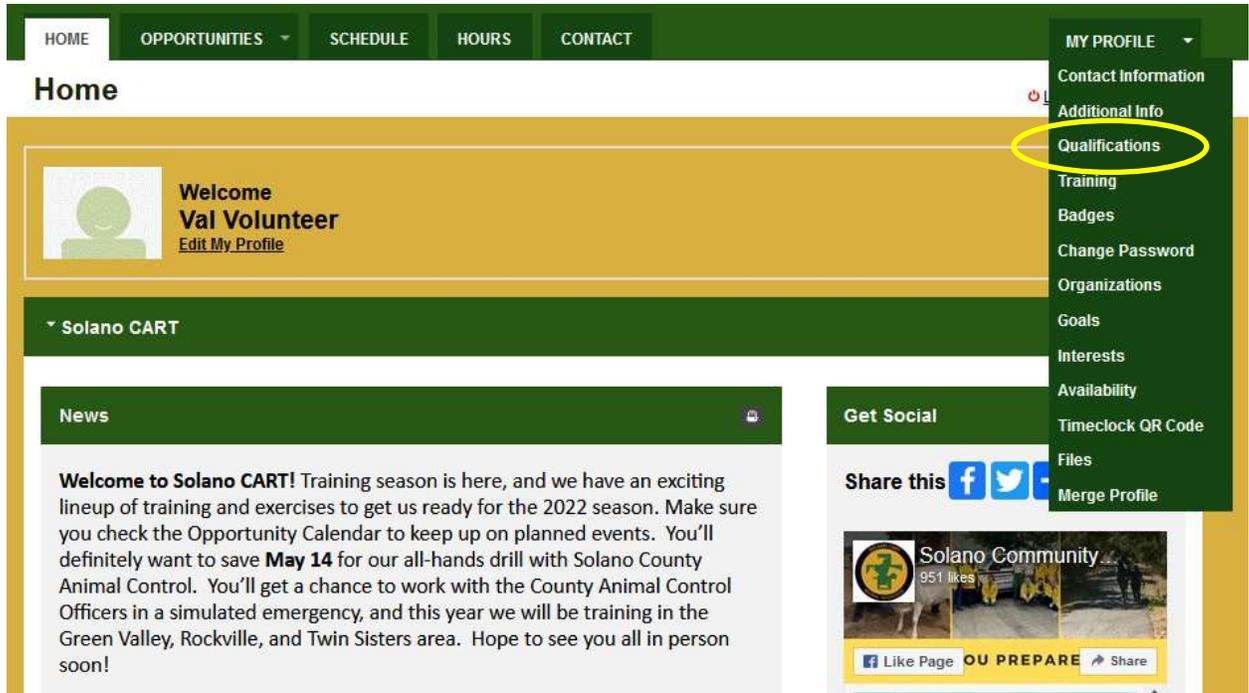

This is where you can tell Solano CART about the teams and roles you are interested in. It's important to fill in your interests, since that's how Solano CART team leads can identify potential new members for their teams. Be sure to hit Save when you are done.

Viewing Your Qualifications

Go to the MY PROFILE menu in the upper right of the home page and click the “Qualifications” menu item.

The Qualifications page shows trainings and other requirements that you have completed and teams that you have qualified for. Your qualifications will be updated by the Volunteer Coordinator or your team lead as you complete the requirements. Click on the “i” icon to see the criteria for getting a specific qualification.

The Qualifications page initially looks like this:
